About the Line

There's nothing quite as beautiful as seeing the gardens come to life in Spring – flowers blooming, trees blossoming and little bees and bugs visiting. This collection, *Bloom*, was inspired when I moved to a new part of Australia and found myself surrounded by flowers, gardens and nature.

Bloom features geometric trees, moonlit gardens, teeny bugs and mushrooms all in a riot of colour. The collection is designed to work together as a beautiful rainbow, or to allow sewists to pick and choose their favourite prints.
