About the Line

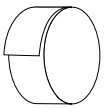

Introducing a collection straight from the heart of Christopher Thompson, The Tattooed Quilter. This new line marks his long-awaited return, blending his love for design with a deep sense of personal history. Inspired by the artistry of his tattoos and his quilting roots, the collection features stunning florals, striking geometric patterns, and subtle nods to his journey—like stitch motifs and one of his first tattoos: a pair of scissors.

The rich blues, drawn from the modern palette of Confetti Cotton Solids, bring this fabric to life in a way that makes it perfect for creating heirloom quilts you'll cherish for generations. Whether you're stitching up something traditional, modern, or a beautiful mix of both, this small but mighty collection has everything you need to make something truly special.

From fabric to finished quilt, let the heart and soul of Christopher's design guide your next quilting adventure!
