About the Line

The *Brave Your Way* collection was created to inspire little adventurers to dream big and explore their own path. The collection is full of fun surprises like dinosaurs roaming the land, rockets zooming through space, and uplifting words sprinkled throughout. Each pattern has its own personality, from checkered animals and playful monsters to space scenes, stars, smiling faces, and waving flags. I wanted every piece to feel joyful, bold, and full of energy so that kids can discover, imagine, and celebrate being themselves.
