About the Line

Briarhill grew from my love of wandering through fields of wild flowers and being drawn to the tiny details – the mix of blooms, the soft movement of stems and leaves, and the timeless charm of vintage eyelet fabrics. I wanted this collection to feel gentle and familiar, with florals, stripes, and eyelet-inspired prints that layer together easily and feel collected over time. The palette of sage, peach, songbird blue, and warm vintage hues was chosen to feel calm, romantic, and comforting – perfect for slow sewing and projects meant to be used, loved, and passed along. *Briarhill* is an invitation to slow down, enjoy the process, and stitch something truly heartfelt.
