## About the Line

*Cacti & Charm* is a visual, artful love note to the desert! As a third-generation Arizonan, cacti (and cacti motifs) have always been part of my creative life. From a more soulful perspective, they're living metaphors for life and creativity: slow-growing, strong, and worth the wait.

From sunrise hikes to a patio cactus garden, these desert darlings offer mucho personality and heart. This collection celebrates the magic of perseverance, all wrapped up in true southwest charm. When in doubt, put a cactus on it!
