About the Line

Beverly McCullough
@flamingotoes

We've always loved to travel around the holidays – one of our favorite things is to pile into a car and head out on a road trip to visit friends and family! This fun collection celebrates that love for Christmas travel and what could be better than hitting the road in a sweet vintage camper – all decorated for Christmas! You'll also find so many of our favorites: Christmas lights, vintage style ornaments with little scenes, presents, and even the occasional little flamingo wearing a Santa hat!
