# About the Line

Every year after Thanksgiving, we piled into the car to go pick out the perfect tree. Some liked them tall and thin, others preferred a dark full tree. But every year, it always seemed perfect once the decorations were hung. Christmas Traditions by Dani Mogstad will bring you right back to a snowy Christmas tree lot where magic is in the air or wherever your family memories lead you. With beautiful traditional holiday colors and festive Christmas icons, this is a line you won't want to miss sharing.
