About the Line

Tucked deep in the woods, at the end of a winding path lined with crooked lanterns, sits Cobweb Cottage. Its windows glow softly at dusk, hinting at quiet magic within. Inside, the walls are covered in timeworn damask wallpaper, faded just enough to feel storied, while shelves hold curious treasures gathered over many seasons. Just beyond the cottage door, a small pumpkin patch blooms with unexpected beauty, tangled vines, flowers, and the promise of something enchanting in every corner.

Cobweb Cottage is a collection inspired by that place, where cottage charm meets a touch of mystery. The prints draw from the details you might find if you stepped inside: elegant wallpaper patterns, garden florals from the patch out back, and subtle nods to a life lived close to nature and a little bit of magic.
