About the Line

Rachel Erickson
@citrusandmintdesigns

Community was created as my reaction to the widespread hurt and divisiveness felt during the COVID-19 pandemic and the Black Lives Matter movement. Both events left me craving more unity, love and diversity in the world, as well as an aching desire to just go outside and talk with neighbors, travel new places, and be surrounded by people again. I designed Community to reflect a place I hope we can work to create in our future. In the meantime, I'll spread love with handmade quilts.
