About the Line

Correspondence is inspired by the timeless beauty of handwritten letters and the art of staying in touch. This collection features delicate florals, letters, stitching elements and more. In an age of instant messages, *Correspondence* celebrates the charm of slowing down – of crafting a card, writing a note, or simply reaching out with love. These fabrics are a tribute to the meaningful moments shared between friends, reminding us how special it is to connect, reflect, and create together, one stitch at a time.
