About the Line

Ever since my mom helped me make a dinosaur diorama in elementary school I have loved dinosaurs. Maybe because imagination has to come into play when picturing what dinosaurs were actually like. I think my mom even had dinosaur flashcards to make sure I learned the proper name and meaning of each dinosaur. This collection is for everyone who loves dinosaurs - no matter their age. There is even a print with dinosaur names and meanings just in case you forgot - I think my mom would be proud!
