## About the Line

*Curated Blooms* is a beautiful fabric collection based on penciled sketches I drew years ago. It has always been a dream of mine to take these pencil drawings and curate them into a cohesive fabric line. These drawings reflect my love of flowers, swirls, and points; all of which give a whimsical quilty feel to the collection. The color palette for the fabric was inspired by the first colors of fall. This fabric collection with its accompanied quilt designs will leave you feeling inspired! You will be ready to cozy up on a cool evening, staying warm with a freshly pieced and quilted quilt.
