Kwilt It! Binding Board

by Nicole Christofferson

Available Now!

We're excited to introduce you to the Kwilt It! Binding Board by Nicole Christofferson.

This adorable binding board presses quilt binding in a fraction of the time it usually takes! Create binding in any size or configuration (single fold, double fold, etc.) with ease. The reflective heat material allows you to pull 100" of binding through in minutes. The binding board also does the heavy lifting of folding the binding to the exact size you set.

The Kwilt It! Binding Board can also double as a small, portable pressing station. The reflective heat material and layer of batting help to create amazingly flat seams, similar to a wool mat.

Each Kwilt It! Binding Board kit comes with one board, one cover, four heat resistant pins, and instructions.

We've partnered with Magic Pins™ to bring you the best heat resistant pins in the industry. These pins are sturdy, sharp and feature Comfort Grip™ handles.

Nicole Christofferson is the founder of Kwilt It! and the Kwilt It! Binding Board. A quilter for over 20 years, Nicole is also a well sought-after long arm quilter. You can find out more information about Nicole and her quilting at kwiltit.com.
