About the Line

Sandy Gervais  
@gervaisandy

Who knew eating your veggies would be so fun?! Sandy Gervais of Pieces from My Heart brings you a dino-mite new collection – Eat Your Veggies.

This engaging collection brings you friendly dinosaurs in a lively palette of teal, yellow, orange, mint and cream. You'll delightfully roar over the alphabet print with hidden veggies, as well as the tracks, plaid, dot and triangle and callout prints.

To bring even more Jurassic fantastic-ness, there's a stuffy panel and a maze panel. It's rawsome!
