## About the Line

Rachel Erickson  
@citrusandmintdesigns

In March 2020, the last “normal” thing I did before lockdown was see *Emma* in the movie theater with a group of friends. The colors, costumes and sets in the movie were a treat for the eyes and a complete contrast to the world outside. I immediately came home and started drawing. The *Emma* fabric collection is a follow up to the *Pemberley* collection, celebrating all things Jane Austen—balls, garden strolls, Georgian decor, and empire-waisted gowns. Get ready to step back in time again with this colorful fabric!
