## About the Line

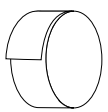

As the leaves turn and the air grows crisp, a sense of warmth and nostalgia envelops the prairie. Introducing *Evening on the Prairie*, where the rich hues of fall bring a cozy charm to every moment. Imagine walking through fields painted in shades of amber, gold, and russet, with the gentle rustle of leaves underfoot. This collection captures the essence of autumn's embrace, where nature's beauty is reflected in every fabric. The collection is inspired by the serene beauty of the fall season, offering a palette of deep, earthy tones and intricate patterns that evoke the spirit of the harvest. Each piece invites you to wrap yourself in the comforting warmth of autumn, bringing a touch of seasonal elegance to your quilting projects, and inspires creations that reflect the tranquil beauty and timeless charm of the season. Embrace the magic of fall and let your creativity flourish with fabrics that celebrate the splendor of nature's transformation.

Modern Prairie, finds its muse in the cherished series, Little House on the Prairie ("LHOTP"), and our Co-Founder, Melissa Gilbert, known fondly as Laura Ingalls Wilder. From fashion to home design, our product range is a testament to the enduring allure of Americana and prairie chic style, thoughtfully reimagined to cater to the demands of the contemporary world. We center our attention on women aged 50 and beyond, offering them a source of inspiration, engagement, validation, and connection. Our brand is about fostering connections, and creating a community where women not only shop but also directly interact with the brand and, more importantly, with each other, fostering a sense of camaraderie and shared experiences. We believe that "it's never too late to find your natural self ... brave change, open your heart, and evolve."
