About the Line

I've been calling Alpine, Utah "home" for about 25 years now. Many of the prints in this collection were inspired by peaceful walks through my lovely small town, hikes through the majestic nearby mountains, and my actual home - my favorite place to be! I wanted to use earthy colors paired with lots of low volumes to give this collection a cozy, curated, yet scrappy feel. I hope these fabrics will feel right at home in your home like they will in mine!

A fun side note: Alpine, Utah is the home base to Riley Blake Designs Headquarters and this is my first collection with Riley Blake Designs (although I've been a long-time fan!) so finally being a part of the RBD team, feels like home.
