LASENBY COTTON

FESTIVE BLOOMS

MADE IN ITALY

Synonymous with the city its shop stands in, Liberty is a brand driven by discovery. Born in 1875 from the adventurous and disruptive spirit of Arthur Lasenby Liberty, the brand has remained true to its heritage and is famed for its print, fabrics, and design. Liberty continues to be associated with the world of arts and culture, building on its founder's legacy to seek out the new and the beautiful.

Today, Liberty is recognised for its cultural collaborations, inspiring curation, and directional design. The iconic Regent Street shop encompasses six floors of fashion, beauty, childrenswear, accessories, homewares, and crafting - bringing together the world's leading premium and luxury brands and housing them alongside its own Liberty range.

Named after Arthur Lasenby Liberty, the founder of Liberty, Lasenby cotton is an easy-use, unique base for crafting. With its own team of expert designers who design specifically for 'Crafting', Lasenby is the ideal choice for those who enjoy fussy cutting or English paper piecing. Made from 100% cotton, the base features smaller and more conversational designs suitable for a range of creative home projects.

Slightly heavier than its cotton companion Tana Lawn™, Lasenby weighs 146 grams per square meter making it very stable and perfect for quilting. The Lasenby range is printed using traditional screen printing that infuses rich colour tones into the fabric that brings our studio designers' painterly creations to life in the most vivid way possible.

LASENBY COTTON

LIBERTY.

The Liberty print archive holds a home for almost every trend, motif, and print style ever created for the brand - a fascinating and truly unique visual record of art and design history, tracing an unbroken line from the 19th century to the present day. In its physical form, the archive encompasses precious original materials such as antique woodblocks, swatch books, and oil paintings with over 60,000 designs.

The Liberty archive is a many-sided resource, split across physical space but accessible all in one place through the fully searchable digital database. As well as the pieces in the hanger storage, there is also a physical Liberty collection at Westminster City Archives that houses the main paper and media archive for the business; the archive of the Liberty Printing Mill in Italy, which has a technical focus on colour and design clarity; and the archive of the Liberty Japan offices in Tokyo, which holds a specialised rotating collection of fabric hangers. The Liberty design studio, which sits almost atop the flagship London store, also retains some physical materials - to ensure that the designers and visiting wholesale customers have something tangible for inspiration.

Our iconic floral and paisleys, geometrics and colourful conversationals are translated onto the finest textiles and innovative cloths in our Italian Textile Mill. Located between the boulevards of Milan and the banks of Lake Como, our printing mill uses traditional screen printing and pioneering digital technology to illustrate our designs down to every intricate detail.

Our specialists print millions of metres of fabric every year, using both rotary screen and digital printing technologies. Swathes of fabric moves through printing, steaming, washing and softening processes. They are later quality checked by eagle-eyed technologists, before the fabric is cut, rolled and shipped around the globe. The Factory is committed to sustainability – certified with the highest OKEO-TEX level of ‘Standard 100’ as well as by the BCI (Better Cotton Initiative).

A NOTE FROM LIBERTY

A celebration of Liberty's floral heritage, Festive Blooms reimagines treasured archival designs in a palette inspired by the warmth and richness of the festive season. Drawing from original artworks spanning the 1930s to the 1980s, the collection honours the timeless appeal of Liberty florals through a vibrant palette of seasonal reds, berry hues, forest greens, and soft winter tones.

The collection is traditionally screen printed onto Lasenby cotton, a base specifically developed for quilting and craft projects.

Whilst every effort is made to ensure colour consistency, please be aware that due to the nature of the product and the print process, slight variances may occur in colour definition between this document and the fabric

FESTIVE BUNCHES

Inspired by a vintage furnishing fabric
Originally created for Liberty in 1981, this
charming design has been revived and
transformed into a celebratory floral tapestry.
Delicate sprigs twist and tumble across the
fabric in a multidirectional arrangement,
while a scattering of twinkling spots
evokes gently falling snow.

HIDCOTE BERRY

Gracefully outlined berries and leaves come together in Hidcote Berry, a versatile design, perfect for quilting and crafting projects. First created for Liberty's Autumn/Winter 1982 seasonal range, this elegant pattern was printed onto Lasenby cotton in 2019 and has now been reimagined in a range of Christmas-inspired colourways for the Festive Blooms collection.

ANNABELLE BAILEY

Derived from a Liberty artwork dating back to 1964, Annabelle Bailey offers a festive interpretation of an ornamental floral. Repainted in vibrant yuletide hues, its trailing chrysanthemums, blossoms, and berries recall the grandeur of traditional Tree of Life designs. Exquisitely detailed outlines and carefully layered forms combine to create a beautiful composition, bringing this archival favourite to life.

EMILY ANNABELLE

Adapted from a 1940s Liberty archival print, Emily Annabelle features a joyful meadow brimming with springtime blooms. Pansies, geraniums, roses, daisies, and marguerites are meticulously arranged to create a quintessentially nostalgic Liberty floral. Introduced for the Festive Blooms collection in two brand-new colourways, the design takes on a celebratory character while retaining the charm of the original artwork.

SUFFOLK FIELD

The earliest known version of this delicate floral can be traced back to a Liberty archive book dating from 1939. Revived during the 1970s and more recently redrawn for the Flower Show Lasenby cotton collection, Suffolk Field highlights the timeless appeal of a classic Liberty ditsy design. Reimagined in seasonal colourways, this delightful print brings a sense of nostalgia to the Festive Blooms collection.
