

A colorful illustration of a young girl with blonde hair in two pigtails, wearing a pink shirt. She is peeking out from the top of a large, orange jack-o'-lantern. The jack-o'-lantern has a carved face with triangular eyes, a triangular nose, and a wide, toothy grin. The girl's hands are visible near the top of the pumpkin, and she has a playful expression.

About the Line

Lindsay Wilkes
@thecottagemama

Fright Delight was inspired by my love of costumes, holidays, treats and fun. What holiday includes all of those things? Halloween, of course. The main print, as well as the panel, are sure to bring back nostalgic feelings of simple childhood memories of dressing up and going around trick-or-treating with family and friends. There are no tricks here in this collection, just lots of sweet, sweet treats!
