About the Line

As a passionate gardener, my life revolves around the garden and the ever-changing seasons. Each year, as the late winter approaches, I find myself daydreaming about what my garden will look like in the coming year. While I wait for the spring weather to arrive I start my seeds and daydream about spring days warmed by the sun, leaves emerging from their long winter slumber, fluffy clouds passing by on a cool breeze, and the first wild roses.

The projects portrayed are virtual images. The look of the projects may differ with actual fabric.

The project virtual(s) shown may be different than the image shown on the pattern cover.

Approximate fabric requirements are listed to aid in estimating the amount of yardage to order and are subject to change.

Backing yardage is shown using the best use of fabric and may not be intended for directional fabric.
