About the Line

Shealeen Louise
@shealeenlouise

"Poppies, golden poppies, gleaming in the sun,
Closing up at evening, when the day is done."
– Lyrics from the California Poppy Song by Leila France

Golden Poppies by Shealeen Louise celebrates this beautiful wildflower that grows in meadows, prairies and home gardens. The vibrant main and coordinating prints showcase butterflies, poppies and quail, as well as a lovely tonal floral. The color palette of blue, white, charcoal, turquoise and orange is as bright and happy as the flower itself. If you love California, you'll swoon over the two Sunshine State panels. Just like the popular flower has been used in everything from a side dish to a cosmetic, this versatile collection can be used for your sewing, quilting or crafting projects.
