About the Line

Jill Finley
@jillilystudio

There is nothing like the smell of citrus—from the blossoming trees to the zest and juice of the fruit—it has a unique freshness. I have family that lives in Arizona, and in December, when we're cold and covered with snow here in Utah, it's a delight to receive a box of fresh oranges or limes. When we lived in California, we had a lemon tree in the back yard. It was wonderful!

Nowadays, I mostly enjoy a grapefruit, orange, lemon or lime from the grocery store. But you just can't beat the freshness of a citrus grove in bloom! I hope you enjoy this fresh fabric collection!
