About the Line

Tara Reed
@artisttarareed

I married into a Jewish family in my 40s. Growing up I had played the Dreidel game and heard the story of Hanukkah at school but it wasn’t until I experienced Hanukkah first hand that I had a full appreciation for the holiday.

I love the focus on spending time with family and the tradition of lighting the candles on the Menorah - symbolizing the oil that should have lasted only a day, lasting for eight nights. The simple colors and patterns speak to me as an artist.

I am excited to share the *Hanukkah Nights* fabric collection and hope that the patterns and imagery capture the spirit of Hanukkah for you and your family as well.
