# About the Line

My Mind's Eye designer fabric collection, Hey Bootiful is the cat's meow. Chock-full of not-so-scary novelty prints like costumed felines, too-cute ghosts, and Halloween icons, this collection is a real treat (or trick!). The spine-tingling coordinating prints in black, orange, off white, and persimmon are deliciously good. This collection also features two glow in the dark panels. Eeeek!
