# About the Line

Rachel Erickson @citrusandmintdesigns

Hoist the Sails is a new fabric collection from Rachel Erickson of Citrus and Mint Designs. Inspired by local pirate lore from my town of Saint Augustine, FL, I hope the collection encourages kids to be adventurous, and to learn history. I did lots of research for the collection—pulling out old college textbooks, reading online scholar research, and visiting the local pirate museum to check my facts. Hidden among the designs you will find historical truths from the time period, such as famous pirates (including famous female pirates!), flags of countries that ruled the Caribbean, real pirate ships, and of course pirate treasure. Get ready to hoist the sails and head off on your next sewing adventure!
