About the Line

This fabric collection is a tribute to Memi, my grandmother. Through these designs, I pay homage to the woman who helped raise me and shaped the person I am today. Inspired by the floral prints of her aprons, the intricate lace of her handmade doilies, her love of tea time, and her favorite fruit-oranges. This collection is a tapestry of memories transforming cherished memories into something tangible and timeless.

The projects portrayed are virtual images. The look of the projects may differ with actual fabric.

The project virtual(s) shown may be different than the image shown on the pattern cover.

Approximate fabric requirements are listed to aid in estimating the amount of yardage to order and are subject to change.

Backing yardage is shown using the best use of fabric and may not be intended for directional fabric.
