About the Line

Katherine Lenius  
@katherinelenius

It's no wonder we look to honeybees for inspiration. They buzz about their work, filling an irreplaceable role that goes mostly unnoticed, and are truly amazing little creatures. I always try to include bee-friendly plants and flowers in my garden and for a long time I've dreamt of becoming a backyard beekeeper. Welcome to *Honeycomb Hill*! All the delight of bees, without the stings. I hope this bee-autiful collection of florals, beehives, bees, honeycombs, and gingham, in soft but lively colors will be a sweet addition to your own irreplaceable work.
