About the Line

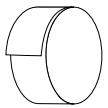

Independence by the RBD Designers is a timeless collection created to commemorate the Semiquincentennial—250 years since the signing of the Declaration of Independence. This stunning collection honors the spirit of America with a classic, sophisticated palette of blue, oxford, beige, gold, and red, reminiscent of historical and patriotic emblems.

Featuring iconic designs such as Old Glory, marching drums, twinkling stars, a vintage colonial map, and delicate florals, each print is a nod to the rich heritage and enduring ideals of the nation. Whether you're crafting a quilt, a keepsake project, or home décor, this collection is perfect for showcasing patriotism and celebrating Life, Liberty, and the Pursuit of Happiness.

To bring quilters together in a meaningful way, we've designed a BOM quilt that beautifully showcases this collection. Perfect for quilt guilds, sewing groups, or personal reflection, this project is a wonderful way to honor the past, celebrate the present, and create a treasured heirloom for future generations.
