About the Line

Heather Peterson
@ankastreasures

I love the colors of fall, and I enjoy bringing those colors inside with my home decor and especially my quilts. The florals prints in this collection are inspired by the flowers from my fall garden, without any of the motifs being specifically fall. The result is a collection that can be used throughout the summer and fall seasons, or anytime you feel like making a quilt in these vibrant colors. The navy sashiko print makes a nice backdrop for these colors, thus the name for the collection, Indigo Garden.
