About the Line

Jingle Bells, Jingle Bells, Jingle all the Way! The *Jingle Bells* fabric collection was inspired by the vintage velveteen Christmas stocking my mom had growing up that was sewn by my great-grandmother. Each stocking has an applique Christmas tree with little tiny ornaments, bells, and tinsel. My mom kept the tradition alive by recreating a replica of her stocking for my brother, myself, and all my children – all with different ornaments representing each of us. I hope you feel the nostalgic love of *Jingle Bells* and create all sorts of family memories and projects with this fabric collection!
