About the License

John Wayne had a profound impact on American life and culture.

He worked hard, loved his country and the outdoors. He was a loyal, fun-loving friend and endearing family man. But it was his place as the western folk hero that has resonated over generations. The courage, honor and grit his character exemplified in those roles did not end on-screen. John Wayne carried the same values home and became the standard to which many held themselves - and continue to strive for today.

We are inspired by him. And we aspire to be him. John Wayne was the archetype of America.

John Wayne Enterprises’ mission is to preserve and protect the name, image and likeness of John Wayne by associating the John Wayne brand with quality and timeless products and experiences that embody the spirit of John Wayne and give back to the community. John Wayne Enterprises actively supports cancer research, treatment and education. In this pursuit, John Wayne Enterprises was involved in the creation of the John Wayne Cancer Foundation (www.johnwayne.org); Team John Wayne, (www.johnwayne.org/teamjohnwayne) a fundraising program of the John Wayne Cancer Foundation; and has licensed the name and trademarks to the John Wayne Cancer Institute (www.jwci.org) in Southern California and the John Wayne Cancer Institute Auxiliary.
