## About the Line

Recently we moved to a new house in the countryside and I got a big garden for the first time. There is hardly anything growing in it yet but in my dream scenario it will be full of colorful flowers and trees. It will be a place where I can walk around and enjoy the smell of summer, pick a bouquet of wild flowers and watch the birds and butterflies fly around. These are the things that inspired *Let it bloom!* I hope that everyone holding these fabrics will feel that same summertime joy that I felt when I created the designs.
