About the Line

Inspired by the golden summer days wandering in Wyoming's mountains, this collection weaves together the quiet stillness of the high plains, the rush of mountain streams, and the simple, cherished moments spent with family.

The collection evokes a sense of peace, spending days by the river—casting lines into the cool, clear waters, feeling the soft brush of wind, and watching children's faces light up as they explore the great outdoors. Soft, muted colors like sage green, sun-washed yellow, and gentle blues create prints that remind you of days spent under the open sky, hands in the dirt, hearts full. At its core, this collection is meant to be used for creating memories—of the quilts draped over a hammock, summer dresses twirling in the wind, picnic blankets on the cool grass, or crafted home decor that brings the beauty of wild summers to life. It's a reminder to slow down, breathe in the mountain air, and watch the world unfold through the eyes of a child.
