## About the Line

I'm always happiest when I'm making something with my hands, whether it's drawing, pressing flowers, baking, planting flowers, or sewing. In a world where we're encouraged to shrink everything down to a screen the size of our palm, there's great joy in taking the time and making the space to create something beautiful. That kind of work can bring meaning to our lives and keep us grounded. *Luna Field* celebrates beauty and the simplicity of growing and making. You'll find garden flowers, a linocut print (with a Luna moth, the namesake of the collection), embroidery, floral crowns, and the new beginnings that start as a tiny seed. I hope this collection encourages you to live a little larger and to use your gifts to make something new and beautiful.
