About the Line

Kristy Lea
@quietplay

Make. Whether a sewist, quilter, artist or creative, it's what we do. We dream up beautiful projects, and then we make them a reality through fabric. We use our creativity to make something to be used, loved, cared for, and admired. Make is a collection that celebrates those who make, stitch, quilt, sew, create.

Featuring geometric sewing machines, scissors and even the dreaded seam ripper, these prints capture the colours of the rainbow. Add in feature text prints and you have the perfect complement for this big spectrum of colour.
