## About the Artist

Originally from Pennsylvania but now a New Englander living just west of Boston, I'm a freelance illustrator with a degree in graphic design. I love to work with all things kids! Formerly an art director at a toy manufacturer, I embellished collateral and product packaging layouts with fun little drawings. Somewhere along the way, I realized that I liked drawing more than straight design work. I try to make every project fun with the hopes that my work will put a smile on your face!
