# About the Line

New Dawn is a collection dedicated to my mom. Not only is she an excellent seamstress, but she is a magnificent gardener (a skill I did not inherit). Growing up we had a beautiful garden. I particularly loved the roses and the little strawberries that grew outside my room. If you look closely you can find our garden friends, including Wolfie, the fuzzy spider who claimed one of the planters as his own. He was actually cute for a spider and he would come out to visit while you watered the plants.

Whether you have a green thumb like my mom, or a black thumb like me—these roses will always bloom.
