About the Line

Sandy Gervais
@gervaisandy

Oh Happy Day from Sandy Gervais is a joyful explosion of color! In addition to the cheery and vibrant main print, there are diamonds and checks, circles and squares, florals and shoo fly and versatile textures. There’s also a panel that reminds us to “find your happy place” and “be the sunshine,” along with “you can never have too much happy” and “old fashioned things like fresh air and sunshine are hard to beat.” Just thinking about the quilting and sewing treasures you’ll create will put a smile on your face.
