About the Line

"Live life in full bloom" and "Take time to make your soul happy" are two of the many happy texts included in the On the Bright Side collection by Sandy Gervais.

Cheery shades of teal, red and green complemented by cream and graphite create a snappy palette for flowers, fruits and orange peel. Also included in the collection is a joyful placemat panel with more happy text, flowers and fruit.

So "Write your own story"...or better yet, quilt, sew and create it!
