About the Line

Jill Finley
@jillilystudio

In the Spring, all of the orchards near my home are bursting with blooms. Each branch and twig explodes with petals, creating a carpet of color on the hillsides and little valleys across the landscape. This will lead to the green leaves of summer, and eventually a sweet harvest of apples, pears, peaches and cherries. Local fruit stands and farmer’s markets will be loaded with the bounty of the orchards.

For my Orchard collection, I chose a palette of leafy greens with cherry pink, soft apricot, sunny yellow and crisp whites. I hope that this collection will inspire you to create something sweet and fresh to bring that orchard feeling into your home.
