About the Line

Another (brush) stroke of genius from the artistic mind of Janet Wecker Frisch. Introducing Painter's Palette, a "new classic" pulled from her palette of past designs. Bold primary colors beautifully meld with Burnt Sienna, Ultra Marine, Charcoal and more. Immerse yourself in all the delightful hues and prints like posey, painter's stipple and swirl, a vintage number of grid and watercolor text. Bring out your inner Degas or Monet to create your own quilting, sewing and home décor works of art!
