## About the Line

Join us as we journey northwards from our London studio to explore the breathtaking beauty and splendour of the Scottish Highlands. Renowned for its natural wonders and unrivaled tranquility, this region in Northern Scotland will captivate you with awe-inspiring mountains and scenic coastlines, diverse plant life, vast lochs, and cascading rivers. Postcard-perfect moments await in the Highlands, where every adventure is a story worth telling. Immerse yourself in the beautiful mountainscape, adorned with a purple veil of heather and vibrant blooms of rhododendrons. Savor the taste of freshly foraged wild berries and admire the foxgloves, irises, thistles, marsh orchids, and sea pinks speckling the hillsides and coastlines with their colourful presence. Recall the breathtaking vistas and iconic landmarks discovered on our journey - there will be so much to write home about! The collection is traditionally screen printed on to Lasenby cotton, a base specifically developed for quilting and craft projects.

The projects portrayed are virtual images. The look of the projects may differ with actual fabric.

The project virtual(s) shown may be different than the image shown on the pattern cover.

Approximate fabric requirements are listed to aid in estimating the amount of yardage to order and are subject to change.

Backing yardage is shown using the best use of fabric and may not be intended for directional fabric.
