About the Line

Pride and Prejudice, romantic novel by Jane Austen, published anonymously in three volumes in 1813. A classic of English literature, written with incisive wit and superb character delineation, it centres on the burgeoning relationship between Elizabeth Bennet, the daughter of a country gentleman, and Fitzwilliam Darcy, a rich aristocratic landowner. Upon publication, *Pride and Prejudice* was well-received by critics and readers. The first edition sold out within the first year, and it never went out of print.

Pride and Prejudice is the second in our new series that features new prints and exclusive quilt kits. Each collection corresponds with each of Jane Austen's six novels. Our one-of-a-kind keepsake quilt kit boxes are designed to look like a book and feature the fabric to make the quilt top and binding. Collect all six to create a masterpiece of your own.

Riley Blake Designs is honored to be the exclusive licensor for Jane Austen's House exclusive fabric, notions, and finished goods. To learn more about the Jane Austen House, visit our website rileyblakedesigns.com/jane-austen
