About the Line

Melanie Collette  
@hellomellydesigns

As the famous Aubrey Hepburn quote goes, “To plant a garden is to believe in tomorrow.” Over the past year, we have spent a lot of time outdoors going for walks and coming home with pockets full of flower petals and interesting leaves. We made nature mandalas, we dried and pressed flowers, and we really enjoyed our surroundings while remaining hopeful for better days ahead. The name of the fabric line, Primrose Hill, is named for the birthplace of Agnes Arber- the first female botanist in the Royal Society in England- and pays homage to all the lovely ladies helping us understand and fully appreciate the beauty all around us.
