About the Line

Janet Wecker Frisch
@jweckerfrisch

Riley Blake Designs and Janet are pleased to reintroduce you to one of her best-selling designer fabric collections, *Queen of We'en!* As the popularity of Janet's previous Halloween collections grew in the marketplace, a close friend (dubbed) crowned her "Queen of We'en!" This funny pun between two creative friends became the inspiration for the original collection. The costumes were taken from 1909 fashion magazines and then digitally enhanced with Janet's original and well-known artistry. Crowned heads were created in watercolor and paired with antique photos and ads for another creepy classic! The apothecary labels, palmistry art, solitaire, tattered damask, and ticking texture in a white, orange, gray, and black palette will inspire your frightfully delicious creations.
