# ROMANTIC FLORALS COLLECTION

Romantic Florals is an ode to the beauty of love. Enduringly sweet and sentimental, the collection is steeped in romance; roses bloom in tender abundance, while lacy frills exude a vintage charm. Each design evokes the intimacy of handwritten notes, ribboned bouquets, and cherished memories. A timeless ode to romance, Romantic Florals celebrates beauty, nostalgia, and art of giving flowers.

The collection is traditionally screen printed onto Lasenby cotton, a base specifically developed for quilting and craft projects.
