About the Line

A collection of florals, prints and colors, inspired by all things summer! It's my favorite time of year for many reason - Warm sunshine on your face, blue skies above, fields of wildflowers, picnic lunches outside on a quilt, my gardens in full bloom, the sound of the waves on the beach, the screen door slamming, kids laughing as they run down to the lake, soft grass underfoot and beautiful colors all around. These vibrant prints can keep that summer feeling going, no matter the time of year.
