About the Line

Tasha Noel  
@tashanoel1

Simply Country showcases a new color palette in fabric design from Tasha Noel. In addition to the bright vintage-style colors she normally uses, blues have also been longstanding favorites. This collection holds true to her love of hand-drawn designs and all things country-style. Fresh breezy blues, barn scenes, quilt stars, sweet florals, classic gingham and ticking stripes will take you back to a simpler time. This collection was inspired by her home décor which is in all blues, years of saving pages from Country Living magazines before the internet, childhood memories vacationing at Swan Lake, Montana, and, as usual, dreams of living that simple country life.
