About the Line

Skiing at our local small-town resort is one of my fondest childhood memories that has inspired the *Ski Hill* fabric collection. The joy of turning my skis across freshly groomed snow and the warmth of the cozy lodge, where hot cocoa thawed my freezing fingers, are etched in my mind. I recall the adventures with my cousins, fearlessly taking on more challenging runs, pushing our boundaries. There's nothing quite like the sensation of gliding down freshly fallen snow, under a bright blue sky, feeling like I'm floating on clouds. But what truly made those days extraordinary was the incredible sense of community. Skiers and families gathered, bound by a shared love for the sport, forging connections that last a lifetime. This fabric collection captures the warmth and joy of those moments, allowing you to relive them again and again. Stitch your own masterpiece, weaving your cherished memories into each fabric, honoring the magic of family and the pure joy of skiing.
