About the Line

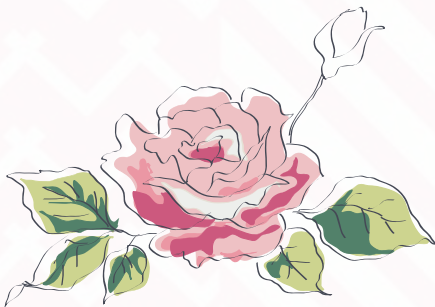

Someday I am going to move to a farmhouse in the country. I will raise chickens in my backyard. I will collect blue and purple eggs every morning. I will let the wind blow wildflowers into my garden to create a beautiful flower bed.

Someday I am going to buy a pink scooter and ride it to my favorite bakery each morning.

Someday I am going to have my own studio so I won't worry about a paint-splattered floor.

What a wonderful word, "someday" is. I can dream of anything I want, and I believe that each day I am getting closer to my someday.

I would like to invite you to my someday.
